

2025/26 Entrance Audition Requirements

As part of your application, candidates auditioning for YSKC should record an unedited video which includes:

- A short verbal introduction from the candidate (1 minute) talking about themselves, why music is important to them, why they wish to join YSKC and what they hope to achieve in future.
- A **performance of the material** appropriate to the **Grade Level they will be entering** at school in Fall of 2025, **as outlined below**.

Once this is completed, please upload this as an UNLISTED video to YouTube, and provide the link to this video in your application.

N.B. If you choose to audition on more than one instrument, i.e. 'cello and percussion, submit two videos on ONE application.

Here are a few things for Candidates to remember when submitting an application:

- At YSKC, we look for musical **potential**, not perfection.
- We help and encourage our students to **find their own voice** and develop individual excellence.
- Throughout **elementary, middle and high** school, we help students turn aspiration into achievement.

We're passionate about helping young musicians like you reach their musical potential in an orchestral setting and beyond. We are excited to meet you via video submission, and we really look forward to hearing you play.

Good Luck!
